Thank you to those participating in Earth Day and doing your part to clean the community.

Family Plan For COVID-19

Please make a plan with your family in the event someone in your home becomes ill with COVID-19. Here are some things to consider:

What is your plan for childcare if caregivers become ill?

What is your plan for those with compromised immune systems?

What is your plan for groceries and supplies if your typical shopper becomes ill?

Please use the "I" for isolation and the "Q" for Quarantine provided in March. If you need another copy please contact the main office.

Be Mindful Of Others

Please continue to physically distance. The life you save may be your elder or your neighbour.

Please continue to stay mentally and physically strong and engage in healthy activities.

Be calm, respectful, safe and generous with one another.
