What we are asking you to do:

Stay home and engage in Social Distancing! It is working!!!!!!

Visit others by phone, Facebook, Facetime, email.

Stay healthy by eating well, getting exercise and doing things that bring you joy.

Wash your hands often. Clean any surfaces you are touching.

What your Emergency Operations Team is doing:

We are working hard to find financial supports for community and band members.

Food and supply hampers were delivered to families with children under 18 on March 24.

Small hampers also went out to elders on reserve. Next, we will focus on community members on reserve that have not received hampers.

Staff checked in with community members by phone or facebook on Tuesday, March 24 and will continue this on Wednesday, March 25 to find out how you are doing and what needs exist.

Be calm, respectful, safe and generous with one another.

We will get through this together!
