### **Updates from Dr. Bonnie Henry**

**No changes will occur until after the long weekend (May 19). Continue to physical distance and wash you hands. We want to have a slow reset. We do not want a resurgence of cases.**

**Template plans and checklists are being developed for businesses and public offices. These documents will guide how and when we can re-open. These will be posted and shared with membership for your safety.**

### **Supports**

**Please see the attached mental health and cultural supports.**

### **Expired Status Card**

**Please see the attached information about expired status cards.**

### **Handmade Sewn Masks**

**Dr. Henry recommends wearing a mask in public places like grocery stores. Do you need one? An amazing team of volunteers has sewn masks for you! The masks can be washed and reused. Masks are sized for adults and children. If you would like masks for your family, please call the band office at 250-373-2493 and speak to Aubin or Lisa.**

**Be calm, respectful, safe and generous with one another.**
