

Skeetchestn Indian Band Curbside Collection Information

September 2014

Solid Waste & Recyclables

Refuse and household recyclables will be collected at the curbside from the new carts provided. Other containers and bags will NOT be collected.

What can be Recycled in the new carts?

The same as the Blue Bag program = Household recyclables – plastics, paper products, cardboard (reduce large boxes to smaller sized pieces (18")), tin cans and aluminum containers, foil and trays.

What will not be picked up:

Large and bulky items – take to the Savona Transfer Station

Glass jars and bottles - take to the Savona Transfer Station or nearest bottle depot

Grass clippings and yard waste – haul to the Savona Transfer Station (no fees will be charged for yard waste, or better – leave grass clippings on the lawn, or in your home composter)

Loose and wet material such as kitty litter and kitchen waste; and other objectionable material (sawdust, cold ashes, etc.) must be bagged separately before placing in the cart.

Offensive or hazardous will not be picked up

Do not compress refuse & recyclables in to the carts – materials must fall freely from the carts into the collection vehicle.

Cart Maintenance and Supply:

Residents MUST keep their carts cleaned and in a sanitary condition

Keep cart pick-up areas level, neat, tidy and free of snow, litter and vegetation accumulation.

DAMAGED or MISSING CARTS will be replaced at the owners or renters expense; \$250 per cart plus shipping

One set of carts per primary residence will be provided

Carts are to be left with the property
