Dear Skeetchestn Electors,

Re: Custom Election Regulations – Part16 – Amendments

On July 15, 2023, in accordance with Section 197 of the Custom Election Regulations, an in-person vote on the proposed amendments was conducted. The results of this vote did not achieve the majority requirement as per Section 198 of the regulations.

In accordance with Section 199, if the majority of electors do not vote in the initial vote, the amendments shall be presented for a second vote at a community meeting. This meeting took place on September 19, 2023, and the amendments were approved by a majority of the electors in attendance.

As per Section 200 of the regulations, if the majority of electors in attendance vote in favor of the amendments, "council shall by resolution amend the code accordingly". Simply put, this means the amendments were in effect at the conclusion of the second vote.

Please feel free to contact me if you have any questions.

Sincerely,

George Kaliszewski
Chief Electoral Officer
